EDUCATION

Ph.D., Astronomy and Astrophysics , Physics Minor The Pennsylvania State University	In Progress
M.S., Astronomy and Astrophysics The Pennsylvania State University	2023
B.S., Astronomy and Astrophysics , Music Minor, <i>Summa Cum Laude</i> Florida Institute of Technology	2021
B.S., Mathematical Sciences , <i>Summa Cum Laude</i> Florida Institute of Technology	2021

RESEARCH EMPLOYMENT AND INTERNSHIPS

Graduate Assistant , The Pennsylvania State University	2021 –
Intern , Mission Support and Test Services	2021
Undergraduate Research Assistant , Florida Institute of Technology	2018–2021
REU Intern , Northwestern University (CIERA)	2020

PUBLICATIONS

-
- Klare, C.**, Ward, C. et al. Year-timescale changes in AGN radio luminosity as seen by the ASKAP Variables and Slow Transients survey. *Submitted to ApJ*
- Sankar, R., **Klare, C.**, and Palotai, Cs. (2021). The aftermath of convective events near Jupiter’s fastest prograde jet: implications for clouds, dynamics and vertical wind shear. *Icarus*
- Klare, C.** and de Gouvêa, A. (2020). Investigating the effect of neutrino decay on flavor oscillations. *Research Notes of the AAS*

OBSERVING PROPOSALS

<i>Determining redshifts of AGN with increasing radio emission</i> (HET)	2026
<i>Identifying causes of extreme radio variability in AGN</i> (VLA)	2026
<i>Determining redshifts of AGN with increasing radio emission</i> (HET)	2025
<i>Identifying mechanisms of increasing compact radio emission in AGN</i> (ATCA)	2025

SEMINARS AND PRESENTATIONS

Conference Presentations	
· <i>Contributed Talk/Poster</i> , AGN on the Beach II, Diani, Kenya	2026
· <i>Contributed Talk</i> , The Dynamic Radio Sky, Montréal, Canada	2026
· <i>Contributed Talk</i> , Accretion History of AGN, Miami, FL	2025
· <i>Contributed Talk</i> , The Dynamic Radio Sky, Sydney, Australia	2025
· <i>Contributed Poster</i> , Astronaut Scholarship Foundation Innovators Symposium, Houston, TX	2024

- *Contributed Poster*[‡], AAS Winter Meeting, Online 2021
- *Contributed Talk*, Division of Planetary Sciences Meeting, Online 2020
- *Contributed Talk*, Astronaut Scholarship Foundation Innovators Symposium, Online 2020
- *Contributed Poster*, Conference for Undergraduate Women in Physics, Tuscaloosa, AL 2019

Department Talks

- *Lunch Talk*, Department of Astronomy, The Pennsylvania State University 2026
- *Lunch Talk*, Department of Astronomy, The Pennsylvania State University 2025
- *Lunch Talk*, Department of Astronomy, The Pennsylvania State University 2022
- *Lunch Talk*, Department of Astronomy, The Pennsylvania State University 2023

TEACHING AND CURRICULUM DEVELOPMENT

Courses as Instructor of Record

- *ASTRO 5 – The Sky and Planets*[‡], The Pennsylvania State University 2026
- *ASTRO 1 – The Astronomical Universe*[‡], The Pennsylvania State University 2025
- *ASTRO 237W – Astronomy Communications*, The Pennsylvania State University 2024

Courses as Teaching Assistant

- *ASTRO 442 – Fluid Mechanics in Astronomy*, The Pennsylvania State University 2025
- *ASTRO 401 – Fundamentals of Planetary Science*, The Pennsylvania State University 2023
- *ASTRO 7N – The Artistic Universe*, The Pennsylvania State University 2023
- *ASTRO 140 – Life in the Universe*, The Pennsylvania State University 2023
- *MTH 4101/5101 – Introduction to Real Analysis*, Florida Institute of Technology 2020

Director, *Life... in Space!* Science-U Summer Camp[‡] 2023 –
Eberly College of Science, The Pennsylvania State University

Instructor, Astronomy Mini Courses[‡] 2024
Osher Lifelong Learning Institute, The Pennsylvania State University

Guest Lecturer, In-Service Workshops in Astronomy[‡] 2023
The Pennsylvania State University

Training and Workshops

- CIRTl Practitioner Certificate, The Pennsylvania State University 2025
- CIRTl Associate Certificate, The Pennsylvania State University 2025

[‡]Wrote the curriculum in addition to teaching

RESEARCH MENTORING

STAR Project Mentor, Exploring Galaxies with Multi-Wavelength Spectroscopy 2025
Student: Austin Strickler
Department of Astronomy, The Pennsylvania State University

Research Mentor, Pulsar Search Collaboratory 2026–
Department of Astronomy, The Pennsylvania State University

SCIENCE COMMUNICATION AND OUTREACH

Writer , <i>Astrobites</i>	2025–
Outreach Talks	
· Astronomy on Tap, State College, PA	2022,2023
· AstroFest, The Pennsylvania State University	2024
· AstroNight, The Pennsylvania State University	2023,2024,2025
Activity Lead , Space Day	2023
Whitaker Center for Science and Arts	
Outreach Coordinator , Department of Astronomy and Astrophysics	2022–2023
The Pennsylvania State University	
President , Student Astronomical Society	2020–2021
Florida Institute of Technology	
Math Competition Question Writer , National Assessment and Testing	2017–2021

AWARDS AND PRESS COVERAGE

Fellowships	
· <i>Larry Travis Fellowship</i> , The Pennsylvania State University	2025, 2026
· <i>Graduate Fellowship</i> , Pennsylvania Space Grant Consortium	2025
· <i>Honorable Mention</i> , NSF Graduate Research Fellowship Program	2023
· <i>Distinguished Graduate Fellowship</i> , The Pennsylvania State University	2021
· <i>Braddock/Roberts Fellowship</i> , The Pennsylvania State University	2021
· <i>Astronaut Scholarship</i> , Astronaut Scholarship Foundation	2020
Selective Workshops	
· <i>Acceptance with full scholarship</i> , La Serena School for Data Science, La Serena, Chile	2023
Press Coverage	
· <i>Mars rover to provide learning experience for current, future scientists</i> , Spectrum 13 News	2021
· <i>Why the Apollo missions made Florida synonymous with space</i> , National Geographic	2019
Awards	
· <i>Outstanding Student of the Year</i> , Florida Institute of Technology	2021
· <i>Distinguished Student Scholar</i> , Florida Institute of Technology	2020
· <i>Outstanding Student of the Year</i> , Florida Institute of Technology	2019
· <i>Distinguished Student Scholar</i> , Florida Institute of Technology	2019

SERVICE AND VOLUNTEER WORK

Mentor , Undergraduate Astronomy Mentoring Program	2025–
The Pennsylvania State University	
Poster Judge , Undergraduate Research Symposium	2023, 2024, 2025
Eberly College of Science, The Pennsylvania State University	
Poster Judge , Undergraduate Exhibition	2025, 2026
The Pennsylvania State University	

Curriculum Mentor, Envision: STEM Career Day Supporting Young Women

Eberly College of Science, The Pennsylvania State University

2023, 2025, 2026

Committee Membership

- Recruitment, Astrobites

2025
- Outreach, Department of Astronomy and Astrophysics

2021–
- The Pennsylvania State University
- Graduate Recruitment, Department of Astronomy and Astrophysics

2024–2026
- The Pennsylvania State University
- Colloquium Lunch Organization, Department of Astronomy and Astrophysics

2024 – 2025
- The Pennsylvania State University

Logistics and Outreach Volunteer

- AstroFest, The Pennsylvania State University

2022, 2024, 2025
- AstroNight, The Pennsylvania State University

2022, 2023, 2024, 2025
- Haunted-U, The Pennsylvania State University

2023, 2024, 2025
- Exploration-U, The Pennsylvania State University

2024
